Thanks, Gina. I got back to him. He's all good. Like you advertised, he's looking 3 miles from the site and is far beyond any area that would cause concern.

Hi Chris – I just received a voicemail from a gentleman named [Ex. 6 Personal Privacy (PP)] (spelling?). He is interested in purchasing a property about 3 miles from the landfill and has some questions with potential water issues out there. I forwarded you the voicemail, but his phone is [Ex. 6 Personal Privacy (PP)]. I am happy to call him back and speak with him, unless you prefer. Please let me know. Thanks!
